

Boy Management

Chaotic? Unfocused?
Difficult?

If these words describe your Den or Pack meeting, Boy Management training is for you! This class helps leaders:

- Understand **WHAT** is causing behavior problems (and you may be surprised at the answer.)
- Learn **PRACTICAL** steps to get Dens back-on-track.
- Plan specific **ACTION** to implement changes quickly.

Boy Management is supplemental training available to all Cub Scout Leaders. It can be delivered to a group of leaders or to an entire pack.
