

Pack 118's Gone Fishin'
Hagemann Ranch Trout Farm
Sunday, September 13 between 1pm and 4pm

Sunday September 7 between 1pm and 4pm we're going to the **Hagemann Ranch Trout Farm** for our annual fishing trip. We're going to learn how to put a worm on a hook, cast the line and catch a fish!!.

Wear sturdy shoes and your uniform. The whole family is welcome. Please e-mail me (lowe-family@sbcglobal.net) with your name, number of cubs, number of siblings and number of adults.

Rod hire is \$4. The Pack will pay for rods for all Cub Scouts. You can bring your own rod if you have one. The cost of each fish caught depends on its length (see prices at <http://sonic.net/~bruceh/>). Families pay for (and take home) as many fish as they want to catch. There is no "catch and release".

We'll meet at Hagemann Ranch on Highway 1, Bodega Bay at 1pm. From Vallejo to Bodega Bay takes about 1 hour and 20 minutes. Here is a [google map](#). The entrance to the Ranch is signposted and will be on your right after Estero Lane and before Bay Hill Road.
