

Pack 118 Committee Notes

November 9, 2009

In Attendance: Jeremy Lowe, Ed Keenan, Suzy Pallotta, Kathryn Mitchell, Kelley Curtis

Scouting for Food

Door hangers will be distributed November 14th and food pick-up will be November 21st. The Pack will sponsor one game of bowling at 2 PM on the 21st at Kentwig Lanes for all those who participate in the door hangers activity.

November Pack Meeting

The November pack meeting will have a "games night" theme. We will have a tug-of-war, a quiz, and the boys will make a Turkey slide. Mrs. Mitchell and Mrs. Curtis will look into potential designs.

Den Banners

The committee agreed that each den will work on a den banner. The banner will be used at pack meetings and should be adaptable over the years. Banners should be completed by the Pinewood Derby in January.

Bank Change

The committee agreed to move Pack 118's bank account from First Bank to Wells Fargo. Signatories on the Wells Fargo account will be Kelley Curtis (Committee Chair), Ed Keenan (Treasurer), and Jeremy Lowe (Cubmaster).

Upcoming Events

No VALCORE activities are scheduled for November.

Christmas caroling has been confirmed for December 22nd at 6:30 PM at Merrill Gardens. Scouts will create Christmas cards to distribute at the event. Practices will be held at the December den meetings. Mrs. Figlietti is checking her schedule to determine if she can provide piano accompaniment again this year.

TreeCycling will take place January 2, 9 and 16th. Dens will divide the neighborhoods up and distribute door hangers in December. The Pack will earn \$800 plus tips. Trucks and a trailer are needed for pick-ups.

Other Business

Parents and scouts are encouraged to attend the upcoming city council meeting, at the request of VALCORE. VALCORE's budget is the target of a potential budget cut and we want to show the importance that their financial support has for our Pack.

Registration dues of \$50 per cub is due. Fees cover registration, badges, handbooks and Boys' Life subscription. Den leaders need to review their den list and update as appropriate.
